**ALTERNATE DEPRECIATION CALCULATION**

- Documentation must include:
1. The current depreciated value of the fixture, appliance, equipment, or personal property;
  2. An explanation of why the depreciated value derived from the Depreciation Schedule is inapplicable for the fixture, appliance, equipment, or personal property; and
  3. A justification of how the repair or alternative replacement cost of the fixture, appliance, equipment, or personal property has been calculated or determined.
